

INTERLOCHEN
Center for the Arts

2017
ANNUAL REPORT

Academy dancers perform *The Sleeping Beauty*

Thank you for your warm welcome as I begin my tenure as Interlochen's eighth president this year. I am honored to join the Interlochen family and am humbled by the dedication and generosity of Interlochen alumni, parents and friends.

The past year marked a great one for Interlochen, and I want to thank President Kimpton for his leadership. The Dennison Center for Recreation and Wellness opened in October, and we broke ground on the new Music Building in May. In July, we dedicated Corson Park on the shores of Green Lake. Thanks to a generous lead gift, we are now making plans to expand and improve our dance facilities, for which we will soon be seeking additional support. These important projects, together with the many dramatic improvements from the past several years, represent the progress we have made in revitalizing Interlochen's campus. Thank you for your generosity in realizing this vision.

This year, we will continue CREATE AMAZING: The Campaign for Interlochen as a way to give everyone a place to unite through the power of the arts. As we celebrate our success thus far, I am excited to focus attention on the People and Programs of Interlochen. Together, we have the opportunity to support our faculty, enhance our artistic and educational programs and increase financial aid for our students—making Interlochen even more extraordinary.

On behalf of Interlochen trustees, faculty and staff, I hope you read this annual report for fiscal year 2017 (June 1, 2016 - May 31, 2017) with pride in what you have made possible and curiosity for what might be possible in the months and years ahead.

Thank you for helping make this a great beginning, and I look forward to continuing our work together.

With sincere appreciation,

CREATE AMAZING

THE CAMPAIGN FOR INTERLOCHEN

We invite you to join us in giving everyone a place to unite through the power of the arts.

Started in 2012, and publicly launched in 2016, CREATE AMAZING: The Campaign for Interlochen is a comprehensive fundraising campaign to ensure the ongoing strength and vitality of Interlochen. Since its beginnings, **you have helped us raise over \$110 million. Thank you!**

While we are proud of this accomplishment, we have the opportunity to broaden the impact on our students, faculty, programs and facilities and open the Campaign to new donors. As such, **the Board of Trustees has raised the goal to \$125 million.**

With this new goal, we strive to focus on the People and Programs that make Interlochen extraordinary. This means further investment in financial aid, artistic and educational programs, and faculty support. We will also expand and improve our dance facilities, as we complete our fundraising for the new Music Building, which is expected to open in 2019.

Please contact us at 231.276.7623 or advancement@interlochen.org, or visit createamazing.org for more information or to make a pledge or a gift.

CREATE AMAZING PEOPLE

Give Interlochen students the opportunity to flourish through endowed scholarship support. Help them discover, often for the first time in their lives, a community of like-minded individuals who share their artistic passion. Introduce them to teachers who unlock their potential to create at the highest level.

CREATE AMAZING PLACE

Revitalize Interlochen's campus for the next generation of young artists. Create worthy homes for Music and Dance at Interlochen. Create new and improved facilities for student recreation and wellness. Create an improved, more inviting and accessible lakefront for all campus visitors to enjoy.

CREATE AMAZING PROGRAMS

Enrich the Interlochen experience with programs that help students realize their artistic dreams. Secure the legacy of the World Youth Symphony Orchestra and help aspiring orchestra musicians begin to explore opportunities beyond their hometowns. Share the power of the arts through student touring. Support guest artists in all disciplines who teach students how to express their unique experiences. Help Interlochen Public Radio share the Interlochen experience with the world.

CREATE AMAZING OPPORTUNITY

Support the Interlochen Annual Fund and/or include Interlochen in your estate plans. Increase annual financial aid for talented, motivated students. Allow Interlochen to meet critical needs and pursue extraordinary new opportunities like the Arts Academy Orchestra and Dance Company's critically acclaimed performance at the 2016 NY Phil Biennial.

THANK YOU to all of our alumni, parents, friends, employees and volunteers for creating amazing this year. Here is how your support has made an impact:

PEOPLE

- Since beginning the Campaign, we have created 30 endowed scholarships—helping over 50 additional students experience Interlochen.
- In 2016, Camp created a new faculty position, the Valade Concertmaster. Through this position, a member of a major American orchestra guides World Youth Symphony Orchestra students each week—sitting in rehearsals and collaborating with guest conductors.

PLACE

- Hundreds of generous supporters have helped us raise nearly \$21 million for the new Music Building, including over 300 through a special crowdfunding effort.
- In fall 2016, the Dennison Center for Recreation and Wellness opened to revolutionize health and fitness activities for Interlochen students.
- A gift from the Corson family has created Corson Park to make Green Lake accessible to all.

PROGRAMS

- IPR has started saving thousands of archival Interlochen concert recordings and interviews, which feature years of guest artists, alumni and faculty.
- The DeRoy Testamentary Foundation has supported filmmakers-in-residence for the Motion Picture Arts division for the next several years.

OPPORTUNITY

- Annually, more than 25% of Camp students and 60% of Academy students received financial aid.
- In June 2016, the Arts Academy Orchestra and Dance Company (the only high school ensembles invited) performed at the 2016 NY Phil Biennial.
- Since the Campaign began, generous donors have documented 99 planned gifts to leave a lasting legacy.
- Hundreds of guest artists each year across academic and artistic disciplines.

2017 Visual Arts fashion show

Interlochen Arts Camp began its 90th season as the world's premier summer arts program, welcoming 2,510 students to learn, create and perform alongside leading artists and instructors.

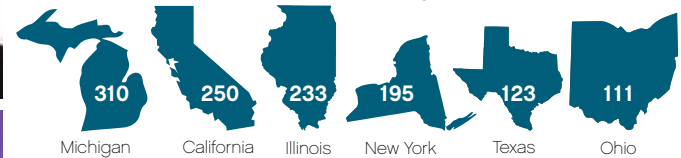

2,510 Campers
From 44 Countries and
52 States and Territories

The four countries with the most campers in attendance outside of the United States

The six states with the most campers in attendance

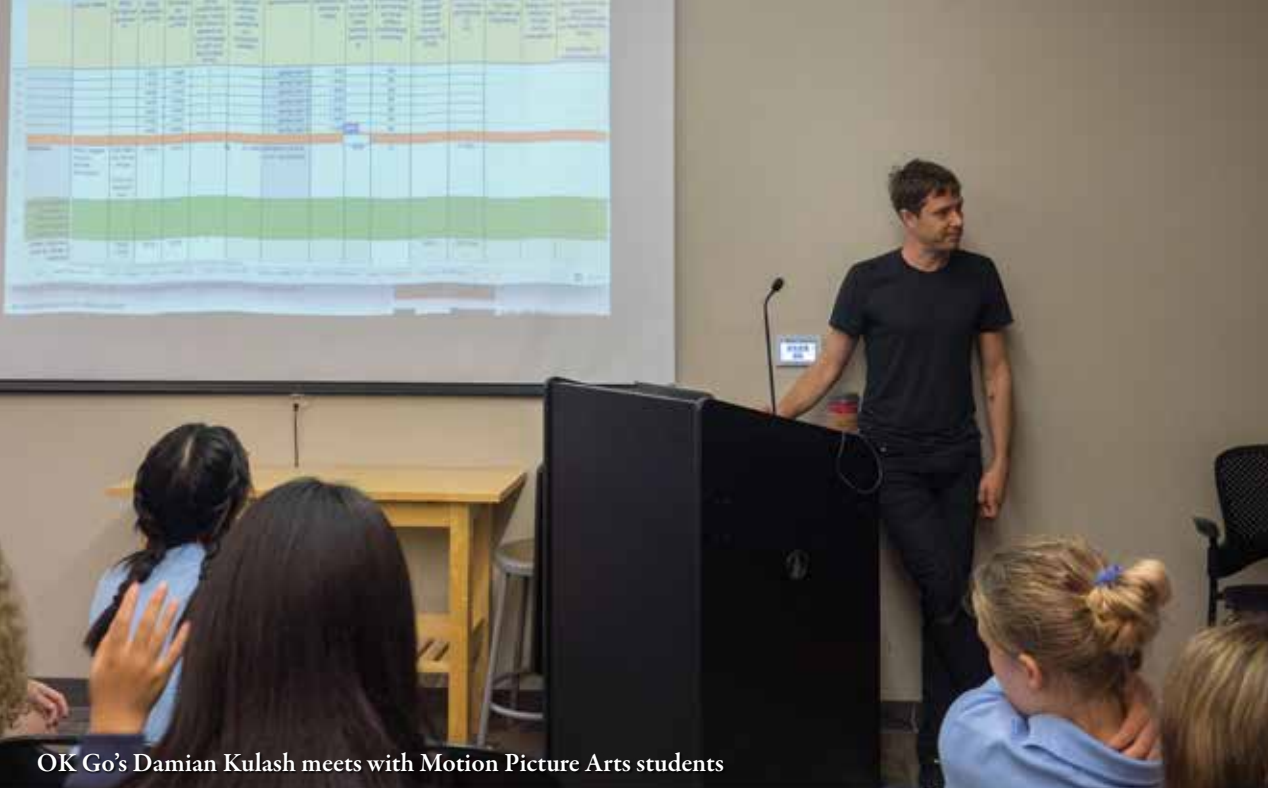

From a fast ride to a slow waltz with the vibrancy of Italy in-between, the World Youth Symphony Orchestra (WYSO) began with a performance that proved a fitting metaphor for Arts Camp.

Led by conductor Karina Canellakis, WYSO captured the energy, art and beauty of the season with Adams' *Short Ride in a Fast Machine*, Mendelssohn's *Symphony No. 4 in A Major, Op. 90 "Italian"* and Ravel's *La Valse*. Interlochen Public Radio broadcast the program live, resuming an honored tradition.

At the same time new traditions also began, with the additions of Advanced Piano and Fashion Design, which culminated in a runway fashion show.

Dancers perform a pas de deux from *Giselle*

In Motion Picture Arts, students Skyped with screenwriter Jordan Roberts (*Big Hero 6*) and writer/producer Peter Gould (*Breaking Bad* and *Better Call Saul*) and met with OK Go's Damian Kulash (IAC 87-89, 91-92).

Charlotte's Web gave junior actors a chance to show the true meaning of friendship, while high school students showed us Eva Perón's path to fame in *Evita*.

And for the first time, dancers performed to live music from the Interlochen Dance Orchestra.

Thank you for creating an unforgettable summer with your support.

2016-17 Arts Academy Jazz Band

Creative Writing senior Alexa Bleasdale-Curnutte became Interlochen's 44th Presidential Scholar in the Arts. No high school has had more.

The Arts Academy Jazz Band celebrated Ella Fitzgerald's centennial birthday with a concert featuring jazz vocalist Carmen Bradford and pianist Gary Motley.

Agnes de Mille's classic choreography to Aaron Copland's *Rodeo* took audiences and dancers to the wild west. Students had the rare opportunity to work with American Ballet Theatre legend Paul Sutherland, the world's only approved stager of the work.

Visual artists at Cowell Family Cancer Center

Ecology Instructor Jenna Scheub, and R.B. Annis Department of Math & Science Director, Mary Ellen Newport, at the R.B. Annis Botanical Lab.

Visual artists participated in a yearlong partnership with the Cowell Family Cancer Center. Throughout the year, students met patients, caregivers and hospital staff—creating artwork inspired by their experiences.

Liberal arts students traveled to Detroit’s Holocaust Memorial Center. Afterward, they donated bottled water to Flint’s Joy Tabernacle, an area church that serves as a community outreach center.

The R. B. Annis Math and Science Department opened two new additions: a botanical laboratory funded by the generosity of the R. B. Annis Educational Foundation and a community garden funded through the generosity of the Allen Foundation.

Theatre students “traveled” through Europe and time as they staged everything from a new adaptation of *A Wrinkle in Time* to *The Light in the Piazza*. During *The Light in the Piazza* rehearsals, the cast had the opportunity to work with original composer Adam Guettel (IAC 80) and actor Victoria Clark (IAC 77), who both won Tony awards for their roles.

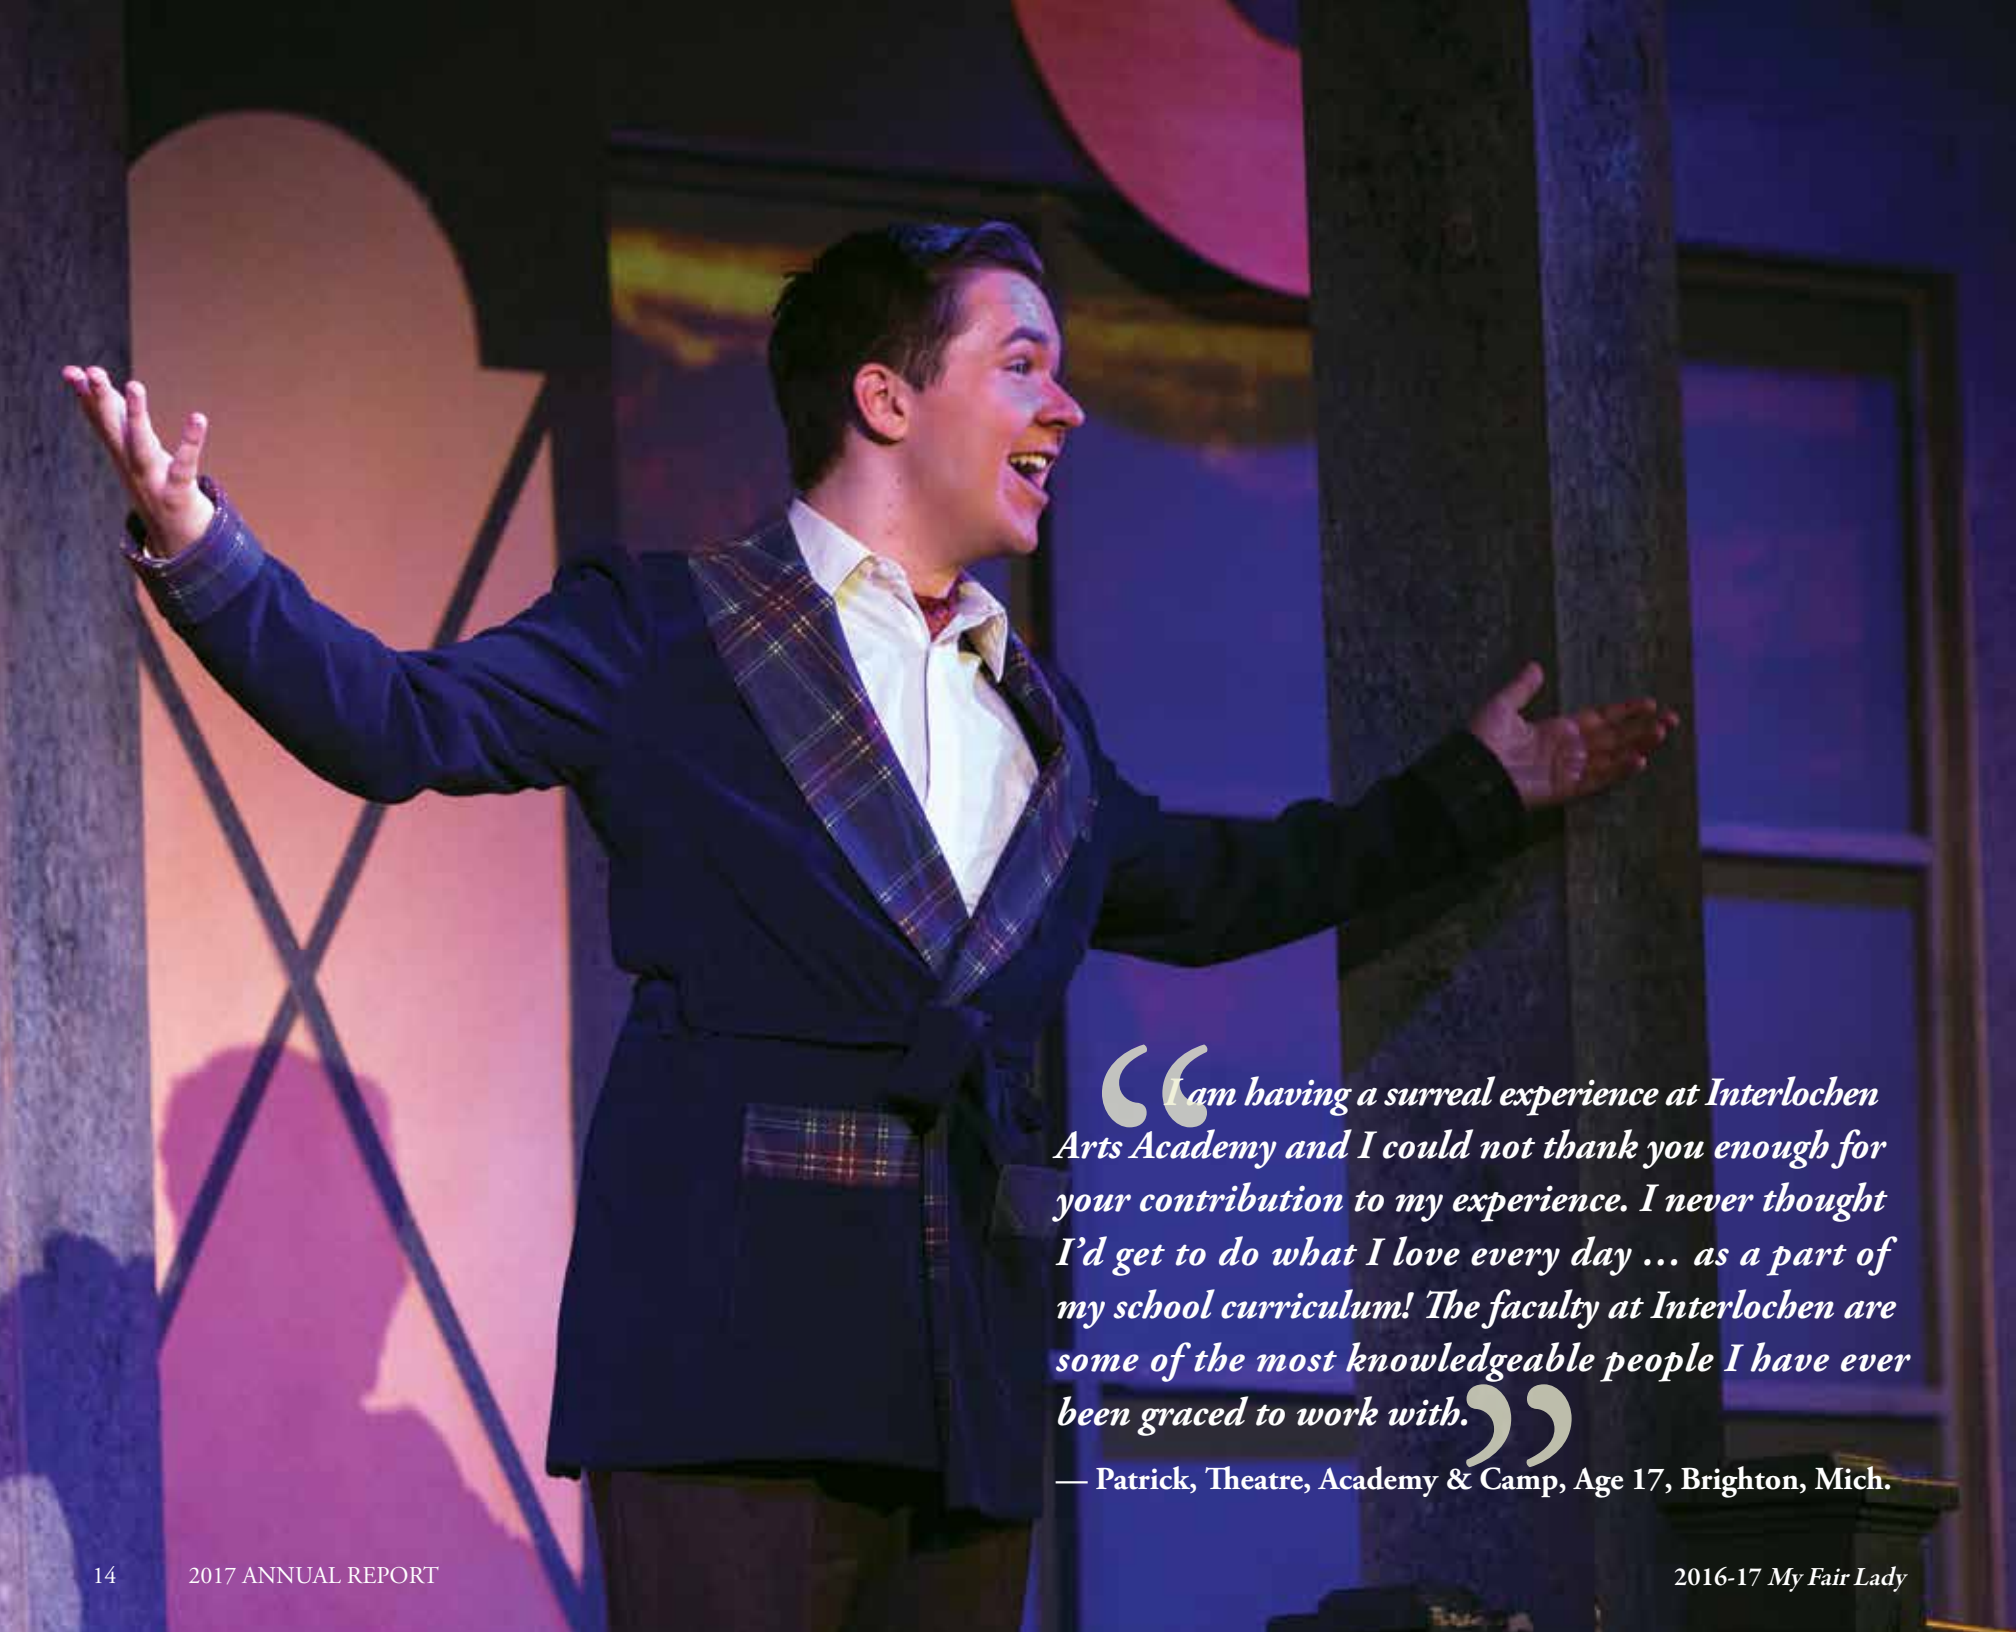

2016-17 Future of Cinema Film Festival

Motion Picture Arts hosted the 11th Annual Future of Cinema Film Festival, featuring special guests such as iconic television writer/producer Norman Lear and documentarian Heidi Ewing.

Comparative artists created a music video for “Patterns Change,” a piece commissioned by Interlochen and composed by Son Lux’s Ryan Lott. The project was developed with dance, music and visual arts students and was about togetherness amidst isolation.

A scene from “Patterns Change” featuring Hubbard Street dancer Alice Klock (IAA 03-07).

“I am having a surreal experience at Interlochen Arts Academy and I could not thank you enough for your contribution to my experience. I never thought I’d get to do what I love every day ... as a part of my school curriculum! The faculty at Interlochen are some of the most knowledgeable people I have ever been graced to work with.”

Interlochen College of Creative Arts

Adult Choir Camp

Interlochen College of Creative Arts offered 100 programs and welcomed 1,171 adult learners. Programs were designed to meet a wide range of skill sets and interests in music, visual arts, creative writing, media and professional development. Titles included Principles of Acrylic Painting, Mystery Writing Intensive, Advanced Vocal Techniques and Website Design for Non-Programmers.

For the first time, participants could also attend in-depth lectures including a Shakespeare Authorship Symposium with Interlochen Instructor of Theatre Arts David Montee, in celebration of the Academy production of the “lost play” *Cardenio*.

More than 85 courses were registered with the State of Michigan to provide continuing education clock hour credits to K-12 educators. And ICCA offered its first scholarship, the new Anne-Marie Oomen and Katey Schultz Writers Retreat Scholarship for adult students interested in attending the June Writers Retreat June 12-15, 2017.

Interlochen Presents

Alumni Damian Kulash and Tim Nordwind perform in Kresge as OK Go, returning to Interlochen for the first time since meeting at Interlochen Arts Camp 30 years ago.

This year, you helped Interlochen Presents create a year of international beauty through art. Among the many highlights, performers included Canadian Brass, OK Go, Diana Ross, Jessica Lang Dance, Gabriel Kahane, Aoife O'Donovan and Julian Lage and Chris Eldridge. Guest artists also often worked directly with students.

During the Interlochen Arts Festival, Interlochen Presents celebrated the impact of Asian art in Western civilizations through “East Meets West.” Events included the Japanese Taiko drumming group Nagata Shachu, Shen Wei Dance Arts company and a Japanese woodblock in Corson Auditorium.

Rounding out the season, the Interlochen Shakespeare Festival celebrated its tenth anniversary with a riveting *King Lear* and *American Hwangap* performed by a core ensemble of Interlochen faculty, staff and alumni.

THANK YOU for creating amazing moments every day!

When you give to the Interlochen Annual Fund, you provide life-changing artistic opportunities for today's young artists and ensure the arts continue to flourish today and tomorrow, both at Interlochen and across the globe. You support ...

... annual scholarships for more than 1,000 talented and motivated students

... guest artists and master classes, including with baritone Nathan Gunn and pianist Julie Gunn

... student tours, like when singer-songwriters opened for Bon Jovi in Pittsburgh, Pa.

... costumes and supplies, like the new set and costumes for *The Sleeping Beauty*.

Thank you for investing in the Interlochen Annual Fund and helping creative youth excel.

You Supported Amazing Moments

Thank you for being part of CREATE AMAZING: The Campaign for Interlochen, helping to keep Interlochen strong, vibrant and a leader in the arts.

Your leadership gift ensures an exceptional arts education is available to all promising students—regardless of background. Your support also ensures continued excellence in: academic programming; year-round concerts and events; and arts and public affairs programming at Interlochen Public Radio.

A sincere thank you to the following supporters who have contributed \$1,000 or more in calendar year 2016. We are also grateful to those anonymous supporters who have given to Interlochen.

We sincerely appreciate the opportunity to correct any errors or omissions, or to make changes to how your name is listed. Please contact the advancement office at 231.276.7623 or advancement@interlochen.org.

“It is thanks to your kindness that I have the opportunity to be immersed in the wonders and culture of Interlochen. ... This summer at Interlochen is truly a blessing for me. I’m delighted beyond belief that I can have this opportunity to truly grow, both as an artist and a person. In the few days I’ve been here, I’ve found that in Interlochen, the possibilities are endless.”

How Our Volunteers Create Amazing Every Day!

Our volunteers are highly valued members of our community. They generously give their time and talent to make Interlochen a better place, whether ushering concerts, planting flowers, distributing marketing materials, planning events, serving on leadership committees, or recruiting the next generation of Interlochen students.

This fiscal year, 665 volunteers selflessly donated a total of 12,490 hours. And again this year, Linnie Cross was honored as Volunteer of the Year, for her 500 hours of dedicated service. In addition, 31 other volunteers were recognized for their 20 or more years of service.

THANK YOU to our volunteers!

Leave a Lasting Legacy With a Planned Gift

You too have the opportunity to transform our students' lives and support our work in education, public broadcasting and presentations. Through planned giving, you can find the charitable gift plan that best fits your goals for your family, finances and philanthropy.

Bequests. The simplest way to make a planned gift is to name Interlochen Center for the Arts in your will. You can make a bequest of a certain dollar amount, a particular piece of property, a percentage of your estate, or a "residual" gift (a gift from what is leftover after making specific provisions for your loved ones).

Gifts From Life Insurance or Retirement Plans. Another option is to name Interlochen Center for the Arts as a beneficiary of your life insurance or retirement plan. When the original purpose for such plans no longer applies—such as to educate children who are now grown or to provide financial security for a spouse—these assets can be redirected to help support a cause you value.

Gifts That Pay You Income. If you'd like to support our mission and receive steady payments during your retirement years, a charitable gift annuity or a charitable remainder trust may be right for you.

If you would like to have a confidential conversation about supporting Interlochen Center for the Arts with a planned gift, or if you have already included Interlochen in your estate plans, but are not yet a recognized member of the Heritage Society, please contact the Director of Planned Giving, Kathleen Kasdorf, at 231.276.7637 or kathleen.kasdorf@interlochen.org.
